SECTION 1 – INTRODUCTION & INTERPRETATION

PURPOSE

- 1.1 This By-law:
- (a) Divides the Municipality into zones of permitted land use classes;
 - (b) Specifies the purposes for which buildings and land may be used; and,
 - (c) Regulates or prohibits the use of land or buildings referred to in clause (b) for any purpose.

DEFINED AREA

- 1.2 This By-law applies to all lands within the Municipal Boundaries of the Hamlet of Gjoa Haven.

SCOPE

- 1.3 No land shall be used and no development shall take place within the Hamlet of Gjoa Haven except in compliance with the provisions of this By-law.

VALIDITY

- 1.4 Should any section, clause or provision of this By-law be held by a court of competent jurisdiction to be invalid, the validity of the remainder of the By-law shall not be affected.

ESTABLISHMENT OF ZONES

- 1.5 For the purpose of this By-law, the Hamlet of Gjoa Haven is divided into zones. The extent and boundaries of all zones are delineated on Schedule “2”; entitled “Gjoa Haven Land Use Map”, which specify the zoning provisions applying to particular lands.

INTERPRETATION OF ZONING BOUNDARIES

- 1.6 (a) If there is any uncertainty as to the location of the boundary of a zone, the Development Officer or the Regional Community Planner shall interpret the Land Use Map to determine the boundary line based on the centerline of a public road, a surveyed lot line, or an unsurveyed lease sketch.

- (b) If a lot straddles the line between two zones, the zone occupying the greater portion of the lot will be assumed to apply to the whole lot.
- (c) Where lots are shown on Schedule 2 with alternating zones, they may be used for the full set of uses permitted in each of the zones. Development will be subject to the zone provisions of the zone where the use is permitted.
