Community Planning Map

1.0 INTRODUCTION & INTERPRETATION

1.1 PURPOSE

This By-law

- (a) Divides the Municipality into zones of permitted land use classes, and
- (b) Specifies the purposes for which buildings and land may be used.
- (c) Regulates or prohibits the use of land or buildings referred to in clause (b) for any other purpose.

1.2 DEFINED AREA

This By-law applies to all lands within the Municipal Boundaries of the Hamlet of Hall Beach (“the Hamlet”).

1.3 SCOPE

No land shall be used and no development shall take place within the Hamlet except in conformity with the provisions of this By-law.

1.4 VALIDITY

Should any section, clause or provision of this By-law be held by a court of competent jurisdiction to be invalid, the validity of the remainder of the By-law shall not be affected.

1.5 ESTABLISHMENT OF ZONES

For this By-law, the Hamlet of Hall Beach is divided into zones. The extent and boundaries of all zones are delineated on Schedule 1; titled “Community Land Use and Zoning Map” which specifies the zoning provisions applying to lands.

1.6 INTERPRETATION OF ZONING BOUNDARIES

If there is any uncertainty as to the location of the boundary of a zone, the Development Officer or the regional Community Planner shall interpret the Community Land Use and Zoning Map to determine the boundary line based on the centerline of a public road, a surveyed lot line, or an unsurveyed lease sketch.

2.0 DEFINITIONS

2.1 INTERPRETATION

Typical uses listed in the definitions as examples are not intended to be exclusive or restrictive. Reference should be made to the Community Plan and the intent or the definition of the use in determining whether or not a use is included within a particular definition.

2.2 DEFINITIONS

In this By-law:

“ABUT” means a lot line that has any point in common with another lot line.

“ACCESSORY BUILDING” means a building that is separated from the principal building or structure on the lot and is secondary to, and normally associated with the main use and located on the same lot and includes garages, workshops, sheds, and shipping containers. Accessory uses cannot be used for human habitation. See section 5.1.

“ACCESSORY USE” means the use of a building or a lot which is normally subordinate and incidental to the main use of the building and located on the same lot with such main use or lot.

3.0 ADMINISTRATION

3.1 POWERS OF COUNCIL

- (a) All development must be approved by Council, unless otherwise stated in this By-law.
- (b) No building may be erected in the municipality in respect of which, in the opinion of the Council, satisfactory arrangements have not been made for the supply of electric power, streets or other services or facilities.

3.2 DEVELOPMENT OFFICER AND DUTIES

- (a) The Hamlet Council shall appoint a Development Officer as an authorized Officer of Council. This appointment shall be enacted by Council resolution.
- (b) The Council will authorize the Development Officer to perform the following duties:
 - (i) Exercise, on behalf of Council, the powers of Council under Section 20 (Unauthorized Construction) of the *Planning Act*;
 - (ii) Keep and maintain for inspection by the public during normal office hours the following official records:
 - A copy of this By-law and all the amendments thereto;
 - A register of all applications for development, home occupations, and amendments and all decisions made regarding all applications.
 - (iii) Carry out other duties as may be prescribed in this By-law;
 - (iv) Receive and review applications for Development Permits, amendments and variances to this By-law;
 - (v) Prepare a report to Council regarding applications for Development Permits, amendments and variances to this By-law;
 - (vi) Approve, approve with conditions, or refuse Development Permit applications, subject to the authority provided by Council, for sheds and shacks, or other similar types of accessory buildings.
 - (vii) Issue Notice of Decisions subject to the provisions of this By-law;
 - (viii) Request Council to revoke or suspend a Development Permit where the permit holder is in breach of this By-law or of conditions of a Development Permit;
 - (ix) Carry out any inspection on lands or premises necessary to enforce this By-law.

3.3 DEVELOPMENT PERMIT

- (a) No person or agency shall undertake development without a Development Permit.
- (b) No Development Permit shall be issued for development that is in contravention of this By-law.
- (c) The approval of a Development Permit shall not relieve the permit holder from constructing in accordance with the National Building Code, the National Fire Code, and all Federal and Territorial Regulations.
- (d) The approval of a Development Permit shall not exempt any person or agency from complying with the requirements of any other by-law in force within the Municipality or to obtain any license, permission, or permit required by municipal, territorial and federal legislation.
- (e) All development requires a Development Permit except for the following:
 - (i) For grading or landscaping where the cutting or filling is less than 1 metre and provided that the drainage of the surrounding area is not affected;
 - (ii) Traditional and cultural activities including the establishment of a trap line, non-commercial tent camps and cabins in the Nuna;
 - (iii) Minor repairs, painting, decorating, or landscaping, provided that no person's health or safety is endangered or completion of a development approved for or under construction on the effective date of this by-law;
 - (iv) Minor repairs or renovations that do not increase the floor space of the building, but does not exempt anyone from informing the Fire Marshal's Office of their plans;
 - (v) A temporary building or structure associated with construction, unless such building or structure is used for human habitation.
 - (vi) The installation, maintenance and repair of public works, services and utilities carried out by the Hamlet on land which is publicly owned or controlled;
 - (vii) Temporary election campaign signs and signs not exceeding 1 square metre in size.
 - (viii) Decks or porches in the Residential Zone that meet all provisions of this By-law.

3.4 DEVELOPMENT PERMIT SUBMISSION REQUIREMENTS

- (a) A complete application form for a Development Permit must be submitted to the Development Officer.
- (b) Every application shall be accompanied by:
 - (i) The required application fee calculated as follows:
 - Residential projects: \$10 application fee plus \$20 for the first \$10,000 of project value, PLUS \$10 for every \$10,000 of project value thereafter to

- a maximum permit fee of \$250;
 - Non-residential projects: \$10 application fee plus \$20 for the first \$10,000 of project value, PLUS \$10 for every \$10,000 of value thereafter to a maximum permit fee of \$500;and
 - All accessory uses: \$25.
- (ii) A site plan drawn to scale in metric units and showing:
- The location of existing buildings;
 - All legal dimensions of the lot(s);
 - The location and dimensions of surrounding lots and buildings;
 - Plans of the proposed buildings showing dimensions;
 - Proposed front, rear, and side yard setbacks;
 - Access points to property;
 - Exterior materials;
 - The location of outdoor fuel storage facilities;
 - The location of water and sewer connections; and,
 - The location of water and sewage storage tanks.
- (iii) The Development Officer may require additional information;
- (iv) For Development that is subject to terms and conditions, a letter must be submitted by the applicant to demonstrate to the Development Officer that the adjacent landowners have been notified in person or in writing; and
- (v) A Letter of Consent from the appropriate Landlord is also required.

3.5 NOTICE OF DECISION

- (a) Each application shall be considered by Council or the Development Officer as required, and shall be either approved with or without conditions, or refused, with written reasons provided for the refusal.
- (b) An application for a development permit shall be deemed to be refused when a decision on the application is not made within 40 days after receipt of the application in its complete and final form by the development officer or the council and the person affected as a result of that may appeal in writing to the appeal board as though the person had received a refusal at the end of the 40-day period.
- (c) When an application is approved, the Development Officer will within 3 business days of the date of decision post a Notice of Decision conspicuously on the lot for which the application has been approved and in the Hamlet Office.
- (d) When a Variance has been granted, the Development Officer will within 3 business days of the date of decision send a Notice of Decision to adjacent property owners.

- (e) The Development Permit does not become effective until 14 days after the Notice has been posted or mailed, and where no appeal of the decision has been filed, and where the relevant conditions of development approval have been met.

3.6 EXPIRY OF DEVELOPMENT PERMIT

- (a) A Development Permit shall become void if:
 - (i) The development is not completed within two years of the date of Notice of Decision; or
 - (ii) The development has not been commenced after six months of the date of Notice of Decision; or
 - (iii) If there has been any violation of this By-law or of any conditions in the permit.

3.7 ENFORCEMENT

- (a) Anyone violating any provision of this By-law or conditions of a Development Permit is liable to a fine of \$500 plus \$100 for every day the offence continues, as specified in Section 34 of the *Planning Act* and Sections 105,106,107 and 108 of the *Hamlets Act*.

3.8 DEVELOPMENT APPEAL BOARD

- (a) In accordance with Sections 21 and 22 of *the Planning Act*, Council shall establish a Development Appeal Board and by resolution appoint one Council member and two community residents as members of the Development Appeal Board. Members will be appointed for a three-year consecutive term. The Development Appeal Board will not include employees of the Hamlet.
- (b) Anyone claiming to be affected by a decision made by Council under this By-law may appeal in writing to the Appeal Board within 14 days of the mailing or posting of a Notice of Decision.
- (c) Upon receiving in writing an appeal, the Development Appeal Board shall:
 - (i) Hold a hearing with a minimum of 3 Board members within 30 days from the receipt of the appeal, upon determining that the appeal is based on planning grounds;
 - (ii) Ensure that reasonable notice of the hearing is given to the applicant and all persons who, in the opinion of the Board, may be affected;
 - (iii) Allow the Development Officer and every person concerned with the opportunity to be heard, to submit evidence, and to hear the evidence of others;

- (iv) Consider the circumstances and merits of each case and consider the purpose and scope and intent of the Community Plan and the provisions of this By-law;
 - (v) Confirm, reject or vary the decision appealed and impose such conditions as it considers necessary under the circumstances; and
 - (vi) Take minutes of the hearing and render its decision in writing to the parties involved within 60 days of the hearing date.
- (d) Where a member of the Development Appeal Board has an interest in an application for a Development Permit that is being appealed, they shall be subject to the provisions of the *Conflict of Interest Act*.

3.9 ZONING BY-LAW AMENDMENTS

- (a) A person who seeks to have this By-law amended shall submit an application in the prescribed form to Council with the following:
 - (i) A copy of their lease or of their certificate of leasehold title;
 - (ii) A fee of two hundred and fifty dollars \$250.00;
 - (iii) Any information as may be required by Council.

3.10 RULES OF INTERPRETATION

- (a) Typical uses listed in the definitions as examples are not intended to be exclusive or restrictive. Reference should be made to the intent, impact and definition of the use in determining whether or not the type of use proposed is consistent with the examples listed.
- (b) Where a specific use does not conform to the wording of any use definition or generally conforms to the wording of two or more definitions, a Development Officer may use their discretion to determine which definition of use type is most similar in terms of character and purpose.

3.11 INSPECTION OF PREMISES

- (a) The Development Officer, or his or her delegate, may enter and inspect a property if there is reason to believe that the land, building or structure has been erected, altered, enlarged or used in violation of any of the provisions of this By-law.

3.12 VIOLATIONS AND PENALTIES

- (a) In the case of any lot being used, any building or structure being erected, altered, reconstructed, demolished, extended or part thereof in contravention of any provision of this By-law, or a permit issued under this By-law, the Development Officer, by written notice, may require the cessation of such contravention.
- (b) Where a person has been served written notice and fails to comply with its

requirements, the Development Officer or designated officials may enter the property and carry out the work required by the notice and recover the resulting expense from the owner by action.

- (c) Any person who undertakes or permits development on land without a Development Permit or without complying with conditions of a Development Permit is guilty of an offence and liable on summary conviction to a fine. Each day of violation shall constitute an offence.

4.0 COMPLIANCE WITH OTHER REGULATIONS

4.1 COMPLIANCE WITH OTHER REGULATIONS

- (a) Nothing in this By-law shall exempt any person from complying with the requirements of any other by-law in force within the Municipality or to obtain any license, permission, or permit. Authority or approval required by any other by-law of the Municipality or statute and regulations of the Government of Nunavut or the Government of Canada.
- (b) Where the provisions in this By-law conflict with those of any other municipal, federal or provisional regulations, By-laws or codes, the higher or more stringent requirement shall prevail.

4.2 REVIEW BY FIRE MARSHAL’S OFFICE

- (a) The Hamlet Council shall seek the comments of the Fire Marshal’s Office before approving a development application for the following type of uses:
- (b) Residential uses:
 - (i) All semi-detached, or multi-unit dwellings; and
 - (ii) Single units that do not meet the required setbacks.
- (c) All non-residential uses.

Applications for development permits must include proof that the development has been approved by the Fire Marshal’s Office.

4.3 THE NUNAVUT PLANNING COMISSION AND THE NUNAVUT IMPACT REVIEW BOARD

- (a) Information on any development occurring close to the Municipal Boundary or any development with potential impacts outside the Municipal Boundary should be submitted to the Nunavut Planning Commission (NPC) for review and comment.
- (a) The Nunavut Planning Commission is the agency that administers the Nunavut Planning and Project Assessment Act and manages issues to be brought before the Nunavut Impact Review Board.
- (b) The Nunavut Impact Review Board must approve all industrial development within the Municipal Boundaries of Hall Beach before a Development Permit can be issued.
- (c) Industrial development which is subject to screening must be approved by the Nunavut Impact Review Board (NIRB) before a Development Permit can be issued. The screening criteria are identified in the NIRB “Guide to Project Proposals Exempt from Screening” document.

4.4 NUNAVUT WATER BOARD AND CROWN-INDIGENOUS RELATIONS AND NORTHERN AFFAIRS CANADA

- (a) The Nunavut Water Board (NWB) and Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) must approve all projects proposing to use, or dispose of waste into water, including proposals to partially or fully fill a waterbody. The Habitat Protection Provisions of the *Fisheries Act* address the impact of a work or undertaking on fish and fish habitat, such as the partial or complete filling of fish habitat (e.g. culvert installation, dock installation, pond infilling). As the Department of Fisheries and Oceans Canada (DFO) administers the Habitat Protection Provisions, it is DFO's role and responsibility to review and approve works in and around water with the mandate of protecting fish and fish habitat.
- (b) Once approved, Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) enforce the licenses. If a waterbody is deemed "navigable," Transport Canada must also approve these activities, pursuant to the *Navigable Waters Protection Act* (NWPA). If applicable, the project will also be circulated to the DFO for review and approval.

4.5 LEGAL LAND TENURE

- (a) Before a Development Permit can be issued on a new undeveloped lot, the owner of the proposed improvements must obtain legal land tenure or a letter of permission-to-occupy until such time that lease documents can be executed.

4.6 AIRPORT ZONING REGULATIONS

- (a) Any land use must be compliant with the Hall Beach Airport Zoning Regulations. All development proposals adjacent to airport property, as well as other development proposals that could potentially interfere with airport operations require review and approval by Nunavut Airports, Operations & Safety, prior to construction.
- (b) Should be compliant with Obstacle Limitation Surface for the Hall Beach Airport as listed in table 4-1 of the TP312E Aerodrome Standards and recommended practices. Before any structure is built, plans should be submitted to Operations and Standards at Nunavut Airports.

4.7 SCIENTIFIC INSTALLATIONS

- (a) Notwithstanding the regulations in Section 6, no use or development shall be permitted which will interfere with the operation of atmospheric monitoring or other scientific installations (e.g. Telecommunications, radar. EMR magnetic observatory, meteorological station). All development proposals which could potentially interfere with such installations require review and approval by the appropriate Territorial and Federal Departments.

4.8 ARCHAEOLOGICAL SITES

- (a) If archaeological sites or specimens are encountered during construction, activities should immediately be interrupted and moved away from this location. The finds must immediately be reported to the Development Officer, who must immediately report them to the Territorial Archaeologist at the Department of Culture and Heritage. All development projects must comply with the Nunavut Agreement, Article 33 and 34; and the Nunavut Archaeological and Paleontological Sites Regulation

4.9 GRANULAR RESOURCES

- (a) Except where provided for within this By-law, no person shall strip, excavate or otherwise remove granular material for sale or for use from a lot or other parcel of land without approval from the Hamlet.
- (b) Where, in connection with the construction of a building or structure, there is an excess of granular material other than that required for grading and landscaping on a lot, such excess may be removed for sale or use.
- (c) A Quarry Permit is required to remove any granular material. The Nunavut Impact Review Board must review the development of new quarries prior to the Hamlet issuing any Quarry Permits for these areas.

4.10 UTILITY CORPORATION

- (a) The Customer shall ensure that all required permits, licenses, and authorizations are provided to the Corporation prior to: commencement of Service, or; any change of service requirements at any point of delivery, or; commencement of construction of new service extensions.
- (b) Any Customer Facilities supplied with Service shall be installed in accordance with the applicable statutes, regulations, standards and codes and only after the Corporation has given its consent and any necessary inspections have been successfully completed. Such equipment will be operated so as to cause no interference with the Corporation Facilities or with any other customer's Service.
- (c) Joint Use Service shall, by separate agreement, be made available to electrical or communication utilities in areas in which the Corporation provides Service, for leasing of space on existing Corporation transmission and distribution poles, where sufficient space is available, and in accordance with specific terms and conditions outlined in a contract with each Joint User Customer.

4.11 GENERAL SANITARY REGULATIONS

- (a) Any land use must be compliant with the General Sanitation Regulations of the *Public Health Act*. All development proposals for residential uses and uses involving food storage or food preparation proposed within 450 m of a waste disposal site, require review and approval from the Environmental Health Officer prior to the issuance of a development permit.

5.0 GENERAL PROVISIONS

5.1 ACCESSORY BUILDING

- (a) Accessory uses, buildings, and structures shall be permitted in any zone but shall:
 - (i) For the total gross floor area of all accessory buildings on the lot, not exceed 50% of the gross floor area of the main building. This total includes both permitted and non-conforming accessory uses;
 - (ii) Not be used for residential use except where a dwelling is a permitted accessory use;
 - (iii) Not be used for the keeping of animals other than household pets;
 - (iv) Not be built closer to the front or exterior side lot line than the minimum distance required for the main building;
 - (v) Not be located closer than 1 metre to any interior side or rear lot line;
 - (vi) Not exceed one-half the height of the main building or exceed a height of 5.0 m in a residential zone; and
 - (vii) Not exceed 40 m² in any Residential Zone.

5.2 TEMPORARY CONSTRUCTION USES PERMITTED

- (a) Nothing in this By-law shall prevent the use of land or the use or erection of a temporary building or structure, which is accessory to construction in progress, such as a mobile home, tool or maintenance shed, trailer, sea container or scaffold, provided that a Development Permit for the main use has been issued, the temporary use is occurring on the same lot as the construction, or an adjacent lot, and the temporary use is discontinued and removed within 30 days following completion of construction.

5.3 RESTORATION TO A SAFE CONDITION

- (a) Nothing in this By-law shall prevent the strengthening or restoring to a safe condition of any building or structure.

5.4 BUILDING TO BE MOVED

- (a) No building, residential or otherwise, shall be relocated without obtaining a Development Permit.

5.5 FRONTAGE ON A STREET

- (a) No Development Permit shall be issued except where the lot has frontage on a street or road. Exceptions are made where specifically provided for in this By-law.
- (b) Where a lot has frontage on more than one street, the Development Officer may require any building, structure, or accessory building on the lot to maintain a front yard on each street to present a consistent street appearance on each street.

5.6 FENCES

- (a) No fences are permitted in residential zones. Fences may be permitted in Industrial, Airport and Community use zones but would be subject to terms and conditions set out by the Council.

5.7 MULTIPLE USES ON A LOT

- (a) In any zone, where any land or building is used for more than one use, all provisions of the By-law related to each use shall be satisfied, except where otherwise provided.

5.8 DISTANCE FROM WATERCOURSES

- (a) No development shall be permitted within 30.48 metres (100 feet) of a navigable waterbody except subject to terms and conditions of the Hamlet Council and the Territorial Government.

5.9 PARKING REQUIREMENTS

- (a) Parking shall be required for any use, building or structure in accordance with the following standards and such parking shall be accessory to a permitted use and located on the same lot as the use:
 - (i) Residential – 1 parking space per dwelling unit;
 - (ii) Residential in a non-Residential building – 1 parking space per 2 dwelling units;
 - (iii) Commercial – 1 space per 75 m² of gross floor area;
 - (iv) Industrial – 1 space for every 3 people working on site;
 - (v) Community Use, School – 1 space for every 3 people working on site;
 - (vi) Community Use, Other – 1 space per 75 m² of gross floor area; and
 - (vii) Open Space – Discretion of Development Officer or Council.
- (b) Each required parking space shall be 6.0m (20 feet) in length and 2.7m wide (9 feet).
- (c) For a required parking area of more than six spaces, at least one space for every 25 spaces must be a designated space for persons with disabilities. A space for

persons with disabilities shall be 6.0 m (20 feet) in length and 3.7 m (12 feet) wide.

5.10 LOADING SPACE REQUIREMENTS

- (a) Every building or structure in a non-Residential zone involving the frequent receiving, loading or unloading of goods, merchandise and raw materials shall provide off-street space for such vehicles to stand and for loading and unloading.

5.11 SATELLITE DISHES

- (a) Satellite dishes shall not be permitted between the building and the street line. Poles must be located at the side or rear and positioned so as to avoid obstructing parking and / or service delivery. Ground-mounted satellite dishes shall not be permitted in the Residential Zone.

5.12 DAY CARE FACILITIES

- (a) Where Day Cares are permitted under this By-law, all Day Care centers or home day cares must comply with Fire Protection Regulations, the *Child Day Care Act*, and the *Child Standards Regulations*, as amended.

5.13 HOME OCCUPATION

- (a) Where a home occupation is permitted under this By-law, a home occupation is subject to the following requirements:
 - (i) Does not change the residential character of the lot by creating problems with noise, traffic, outdoor storage, or other nuisance;
 - (ii) Does not employ more than 2 people who do not live in the dwelling;
 - (iii) Does not show any evidence that there is a business in the dwelling unit except for a sign no bigger than 0.3 m² (3 square feet); and
 - (iv) No more than 25% of the gross floor area of the dwelling shall be used for a home occupation.

5.14 BED AND BREAKFAST

- (a) Where permitted, bed and breakfasts shall conform to the following requirements:
 - (i) The bed and breakfast lodging forms part of a single unit dwelling;
 - (ii) The number of bedrooms devoted to the use shall not exceed four in number;
 - (iii) No sign in connection with the use shall exceed 0.75 m² in area nor exceed one in number;
 - (iv) On-street parking shall be prohibited; and
 - (v) The use should conform to all Building and Fire Codes.

5.15 YARD REGULATIONS

- (a) No person shall keep or permit in any part of the yard in any residential zone:
 - (i) Any more than two dismantled vehicles for more than six months and such vehicles shall be stored out of public view;
 - (ii) Any object or chattel which, in the opinion of the Development Officer is unsightly or tends to adversely affect the amenities of the district;
 - (iii) Any excavation, storage, or piling up of materials required during the construction stage unless all necessary safety measures are undertaken.
- (b) No person shall keep or permit on any site any buildings, or structures or portions thereof, rubbish or other things that may constitute, in the opinion of the Development Officer, a fire hazard, or hazard to safety or health.

5.16 MINOR VARIANCE

- (a) Where a development does not conform with the site regulations, Council may vary the regulations of development in accordance with the following:

	DEGREE OF RELAXATION	
	Residential Zones	Other Zones
Front Yard	25%	Discretion of Council
Side Yard	25% with prior authorization of the Fire Marshal	15% with prior authorization of the Fire Marshal
Rear Yard	25%	15%
Rear Yard abutting N or OS Zone	50%	20%

5.17 NON-CONFORMING BUILDING OR USE

- (a) This By-law cannot be used to prevent the use and development of land that had been lawfully established or has a valid Development Permit or was under construction at the time that this by-law was enacted. Non-conforming uses are subject to the following regulations:
 - (i) The non-conforming use may be transferred to a new owner or occupant;
 - (ii) The non-conforming building may be enlarged up to 20% of the gross floor area of the building, as it existed on the date this By-law came into effect, as long as the enlargement does not increase the extent to which the building is non-conforming;
 - (iii) If a non-conforming building or use of land is discontinued for twelve consecutive months, the future use shall conform with this By-law; and

- (iv) If more than 50% of a non-conforming building or use is accidentally destroyed, any new use or building must conform to this By-law.

5.18 FRONTAGE ON CURVES

- (a) Where the front lot line of any lot is a curved line or when the sidelines of a lot are not parallel, the minimum front lot line shall be a minimum of 10 m.

5.19 HEIGHT

- (a) When used with reference to a building or structure, is the vertical distance between the average finished grade and a horizontal plane through either:
- (i) the highest point of the roof in the case of a building with a flat roof;
 - (ii) the average level of a sloped roof, provided that such a roof has a slope of less than 20°, or
 - (iii) the average level between eaves and ridges in the case of a pitched gambrel roof

hipped roof.

- (b) Where height limitations are set forth in this By-law, such limitations shall not apply to artworks and cultural structures (i.e. Inukshuks), aids to navigation or aviation, antennae, bulk storage tanks, chimneys, church steeples, clock towers, communication facilities, electrical supply facilities, fire towers, flagpoles, lighting standards, lightning rods, mechanical equipment penthouses, skylights, solar panels, stacks, water tanks, or windmills. Notwithstanding the foregoing, limitations prescribed by a Federal Ministry or other Authority with respect to height limitations and appropriate lighting in the vicinity of airfields shall prevail.
- (c) The height of buildings and structures in the vicinity of airports are regulated by Airport Zoning Regulations. Refer to the Airport Zoning Regulations (Section 4.7) of this By-law.

5.20 PERMITTED PROJECTIONS INTO YARDS

(a) Despite any other provision to the contrary, the following features and other similar features are permitted to project from a principal building into a required yard in accordance with the following table.

Object	Permitted projection into any required yard	Minimum distance from lot line
